Please Note

The State Library of Massachusetts is the Official depository for Massachusetts state agency publications. This checklist provides a listing of those publications received at the library during the period indicated. Newsletters and serials with a frequency greater than quarterly are not included in this list.

Document Access

The State Library maintains a system of state document depository libraries in order to provide statewide access to state agency publications. The following libraries serve as document depositories: The Boston Public Library, Springfield City Library, Worcester Public Library, and the Library at the University of Massachusetts at Amherst. Documents listed in this checklist may be viewed at these libraries as well as at the State Library. In addition to the state depositories, the documents are also sent to the Library of Congress. The State Library's catalog , ca. 1974 to present, can be accessed via the Internet. Telnet to site.cwmars.mass.edu and access file #116. The Library can be reached through the Internet at the following address: http://www.mlin.lib.ma.us; choose C/W MARS Network. The Library can also be accessed via the Commonwealth's web page: http://www.state.ma.us/lib and click on the icon for our catalog, which is accessed through telnet as described above.

Each document listed herein is microfilmed. The number at the end of each entry is the film access number. The State Library holds a microfilm subscription to the CHECKLIST, as do many other libraries. For more information regarding this commercial microfilm subscription service, contact Primary Source Media, 12 Lunar Drive, Woodbridge, CT. 06525 (203-397-2600).

There is an index at the end of this checklist for all documents listed herein except for the reports of the Department of the State Auditor. All other documents are indexed by keyword and accessed by the film number, the last entry for each citation, e.g. 021/112.

Please note that the Auditor has instituted a new identification system for their reports. They are being labelled by the type of audit being done. The code is as follows:

AS	=	Audit Survey
C-647	=	MGL Chapter 647, Internal Control Review
FR	=	Financial Related
FU	=	Financial Statement
IPA	=	Review of Independent Report/Workpapers

This checklist provides a listing of those publications received at the library during the period indicated. Newsletters and serials with a frequency greater than quarterly are not included in this list.

Document Access

The State Library maintains a system of state document depository libraries in order to provide statewide access to state agency publications. The following libraries serve as document depositories: The Boston Public Library, Springfield City Library, Worcester Public Library, and the Library at the University of Massachusetts at Amherst. Documents listed in this checklist may be viewed at these libraries as well as at the State Library. In addition to the state depositories, the documents are also sent to the Library of Congress. The State Library's catalog , ca. 1974 to present, can be accessed via the Internet. Telnet to site.cwmars.mass.edu and access file #116. The Library can be reached through the Internet at the following address: http://www.mlin.lib.ma.us; choose C/W MARS Network. The Library can also be accessed via the Commonwealth's web page: http://www.state.ma.us/lib and click on the icon for our catalog, which is accessed through telnet as described above.

Each document listed herein is microfilmed. The number at the end of each entry is the film access number. The State Library holds a microfilm subscription to the CHECKLIST, as do many other libraries. For more information regarding this commercial microfilm subscription service, contact Primary Source Media, 12 Lunar Drive, Woodbridge, CT. 06525 (203-397-2600).

There is an index at the end of this checklist for all documents listed herein except for the reports of the Department of the State Auditor. All other documents are indexed by keyword and accessed by the film number, the last entry for each citation, e.g. 023/115.

Please note that the Auditor has instituted a new identification system for their reports. They are being labelled by the type of audit being done. The code is as follows:

AS	=	Audit Survey
C-647	=	MGL Chapter 647, Internal Control Review
FR	=	Financial Related
FU	=	Financial Statement
IPA	=	Review of Independent Report/Workpapers

The following libraries serve as document depositories: The Boston Public Library, Springfield City Library, Worcester Public Library, and the Library at the University of Massachusetts at Amherst. Documents listed in this checklist may be viewed at these libraries as well as at the State Library. In addition to the state depositories, the documents are also sent to the Library of Congress.
